PRODUCT OVERVIEW

Optima Scale's OP-926 Series features unsurpassed high resolution in both hanging and compression applications. With a measurement accuracy of better than 0.02% full scale, it is 10 times better than performance of the standard crane scales. Available in capacities ranging from 100 lb to 10,000 lb, and comes with a bright LED display that shows both kg and lb.

STANDARD FEATURES

- Affordable crane scale with high accuracy
- Double the accuracy of the crane scales
- Includes OP-901 LED indicator with rechargeable battery
- Includes eye bolts
- Styrofoam case for safe carry around
- Optional scoreboard indicator OP-900-LD to replace OP-901
