PRODUCT OVERVIEW

The pallet jack scale offers a quick and economical solution with optional built-in printer (OP-918-5000) to determine pallet weights. Used at the dock to estimate incoming and outbound shipments or in the warehouse to avoid overloading pallet racks. Display up to 5,000 lb (2,500 kg) x 1 lb. LCD display with clear characters offering ZERO, TARE and LB/KG keypads.

STANDARD FEATURES
